COMPANY NEWS

Green Harvest is now CoS registered so we can now sponsor people from abroad who need a visa to work in the UK. This is our another way of promoting diversity within the organisation. As the saying goes, "You can't have unity without diversity". So if you know people who are qualified and suitable, don't hesitate to contact admin@greenharvestcc.com.

Don't forget our employee referral scheme, each successful referral gains you £250 - now who wouldn't like that!
