

WELCOME TO OUR NEWSLETTER

A MESSAGE FROM EMMANUEL (CEO)

Dear Team,

Officially summer is over and time has flown by so fast!

Upcoming Staff End-of-Year Party:

It's that time of the year when we come together to celebrate our collective achievements and the bonds we've nurtured. Our annual staff end-of-year party is just around the corner, and I am eagerly looking forward to a festive evening of laughter, camaraderie, and well-deserved relaxation. The party also provides an opportunity to express our gratitude to each and every one of you for your dedication and hard work throughout the year.

Preparing for Winter:

As the temperatures begin to drop and the days grow shorter, we need to be prepared and ensure all H&S checks (boilers, radiators) are carried out. Again, each service needs to review the list of tradespersons (at least 3 for each service) gathered from various sources (FB, CheckTrade, Bark...). Please share with every member of the team so everyone knows who to call especially in an emergency.

If you missed our August newsletter, then join me in welcoming Helen - Our New Head of Operations. Please share the excellent work and operations of your service and she is completely open to any suggestions that you may have. I encourage you all to extend a warm welcome as she settles into her role.

Let's embrace the future with open arms as we move forward together.
